Malaysia e-Invoicing Updates & Compliance Readiness

This full-day programme consolidates the latest e-Invoicing expectations and translates them into clear operational actions—covering people, process, documentation, and system considerations.

A key feature of this programme is a dedicated module on the **LHDN e-Invois compliance review / audit framework**, equipping participants with a strong understanding of how compliance reviews are approached, what records may be examined, typical review activities, and how to prepare an organisation for a smooth engagement.

Course Outline

- Understand Malaysia's e-Invoicing landscape and practical compliance expectations.
- Identify how e-Invoicing affects billing-to-accounting workflows and controls.
- Prepare confidently for an **LHDN e-Invois compliance review/audit** with the right documentation, processes, and response approach.

SPEAKER'S PROFILE

Yong Mei Sim has over 35 years in Inland Revenue Board of Malaysia ("IRB") and last held the position as Principal Assistant Director of Penang. She speaks extensively for Chartered Institute Taxation Malaysia, Malaysia Institute of Accountants, CPA Australia and other professional training institutions around the country and shares her valuable experience and expertise on income tax updates and all other relevant taxation matters.
